Winter Sport Vouchers Information

Due to limited seating in school gymnasiums, all GAC schools will require that guests present a GAC game pass/voucher to be allowed entry into a game. Each player is given 4 vouchers. **Away games allow only 2 vouchers to be used, home games allow up to 4 vouchers.** These vouchers are good at all GAC schools that we might play. Each school sets their own entry fee price which will be payable upon entry to the event. Face Masks will be required at all venues. **Game passes will NOT be replaced if lost or stolen.** If you have an event with a non-GAC school, that school's guidelines for entry must be followed.
