

St. Charles West PTO 2019-2020

Positions Open – PTO needs you!

THANK YOU from PTO to our parents & families for their support. 2018-2019 brought teacher appreciation events, “Traditions” senior graduation all night party, support to our students, photo booth at homecoming, scholarships & so much more! It would not have been possible without your support with membership dues and volunteer time, so thank you!

DRAFT UPDATE: PTO partners with our athletic teams, clubs, and activities to manage the staffing of our concessions stands for sporting events. Teams & clubs sign up to work events and a portion of the proceeds from the concession season are then directed to that team/club. Thank you for your support as we work as a community to better support and benefit our school with direct fundraising to our clubs, activities, and sports. We are pleased to report **\$7,288.48** was donated back to our school sports and clubs last year through this partnership.
