

## **SCSD now has 'Peachjar'**

SCSD has launched a new digital flyer communication tool called "Peachjar." To view school-approved digital flyers, simply click the Peachjar button on our school's websites.

This "green" initiative will save our schools tons of paper and reduce copy costs by thousands of dollars. On top of that, posting school flyers in this electronic backpack removes a significant administrative burden from teachers, office, staff, and volunteers.

**If you are a parent in the District, you will receive a welcome email from our service provider, Peachjar, that includes a username and password. This is provided to give you the opportunity to manage your account and flyer deliver preferences. You do not need to login to receive or view school digital flyers.**

If you are a community member or someone who is just interested in what is going on in our district, all District websites will have a 'Peachjar' button/page on them that will allow you to see approved flyers.
