

October 4-8th

Hardin Middle School

MEET THE STAFF

My name is Kinsey Gorrell and I am a 7th grade Special Education Teacher at Hardin! I have been teaching for 12 years and I love coming to work everyday to get to know students and help them make good life choices! Me and my husband have been married to 12 years and just moved to Saint Charles this summer from Omaha, Nebraska (GO BIG RED!) We are a Husker and Chicago Cubs loving family! Our two boys, Wyatt who is 5 and William who is almost 3, love to play outside and get dirty in the mud! We have loved getting to see Saint Louis and all the fun things it has to offer! I am looking forward to a great year this year!

Mrs. Metz is the 7th grade computer teacher. This is Mrs. Metz 22nd year in the district and her dad is Coach Hays who taught math here at Hardin and retired in 1992. She likes to read, spend time with her family, travel and create machine embroidery projects.
