

"2024-2025"

St.Charles High School

Parent Information

Parents, It is time to request courses for next year. The counselors met with each grade level over the past week to show them the process. Additional information can found on our enrollment website <https://www.stcharlessd.org/Page/1907>.

Students' will complete their ICAP's which includes schedule requests for their next grade level with alternates by Tuesday, January 30th, 2024. This should be completed through the new Naviance program. To learn more about Naviance you can watch <https://youtu.be/G3UtteiYKgg>. It is our hope to fully implement all aspects of the Naviance program with students and parents next year. Be on the lookout for additional Parent information next fall.

Instructions on how to work on course requests in Naviance can be found on our website above. Counselors will be available for questions and additional help in the cafeteria during all lunch periods Wednesday-Friday this week and Monday next week. Students can access directions and other helpful documents in their google classroom for their graduating class.

Please let us know if you have any questions by reaching out to your student's high school counselor, by their last name:

Mrs. Julie Basler (A-F) jbasler@stcharlessd.org | 636-443-4181
